Two-Part Contact Adhesive

Available as a pack and as individual parts

1: Spray one surface with activator, 2: Apply adhesive to other surface, 3: Push surfaces together - hold for 10 secs

Mitre-Tite features

- MDF skirting
- Architecture joints
- Picture frames
- Cornice and profile mitres
- PVCu trims
- Worktop end strips

Mitre-Tite

Size	Part Number	Pack Qty
Activator 200ml and Adhesive 50g	ACYANO1	1 set

Fast Cure | No Mess

Bonds to MDF, Wood, Rubber and Plastic

10 second cure time!

Sprayable Contact Adhesive

Available in 500ml cans

Ideal for applications such as fixing laminate edgings.

Sprayable Contact Adhesive is now available in two size and application options. Both have similar qualities, water resistance, excellent initial grab and a long open time. Both are CFC free and low odour (Although a mask and well ventilated room are highly recommended).

The adhesive is available in a spray canister for small jobs such as laminate edging strips etc, and a 25kg barrel for use with a pot spray gun or HVLP system, for larger applications such as laminate pressing. Please enquire about transport options prior to ordering the 25Kg container.

Will bond:

- Wood
- Metal
- Rubber
- Fabric
- Most plastics
- Concrete
- Decorative laminate
- Carpets

Mitre-Tite

Size	Part Number	Pack Qty
500ml	AS01SPRY0001	1

Please note:

Whilst this adhesive is suitable for bonding rigid PVC's, care should be taken with plasticised PVC as migration can occur which will affect the adhesive.

Polyurethane Adhesive

Ready to use

5 minutes
cure time!

Polyurethane adhesives are a fast curing, solvent free, moisture curing adhesive specially formulated for water resistant bonding for a huge range of material. These include:

- **Wood**
- **Metal**
- **Laminates**
- **Polystyrene foam**
- **Concrete**
- **Stone**
- **Brick**
- **Gypsum boards**

Polyurethane

Size	Part Number	Pack Qty	Size	Part Number	Pack Qty
500g	APOLY500	1	1Kg	APOLY1KG	1

Please also see our Hotmelt Polyurethane adhesive range which is excellent for fire door solid wood lipping application.
